April is Rotarian Magazine Month

Just one of the many benefits of membership in a Rotary club is receiving a copy of the *Rotarian* each month. As we read through the many articles we can obtain a better understanding of the world wide coverage of Rotary International, from villages to major cities. In the April, 2006, edition we have been provided in "Northern Sights," pages 52-55, with 12 reasons to visit the Nordic countries this June while attending the Rotary International Conference in Sweden and Denmark (June 11-14, 2006).

But the *Rotarian* is just one of the many Rotary related pint, digital, film, and electrically reproduced publications which are available. Our own district 5050 and the R. I. web sites have links, for example, to area, district, and club newsletters.

It is recommended that each of us share past editions of the *Rotarian* as one of the ways to tell others about the story of Rotary. Isn't it amazing the number of people we meet who either have never heard of Rotary and/or they do not know about Rotary's quest to eradicate Polio.

Can you find our club members?

Thanks to our Club Fellowship Chair, who arranged tickets for about 20 club members, friends, and relatives, we had a great time on Sunday, March 5, 2006, watching hockey at the Everett Events Center. Happily the Silvertips won by a score of 3 to 2. Next we are going to experience Arena Football at the Everett Events Center.

Happy April Birthday!!!!!!!!!!
