Reflections by Our Club President

June is Fellowship Month

We join Rotary because we want to make our communities better places to live. We stay in Rotary because we find satisfaction in our contributions and because we enjoy our associations with other Rotarians. I have said that I would not be in Rotary if I did not enjoy the people in Rotary.

We have close association with fellow Rotarians in just about any Rotary project with which we become involved. Fellowship is a natural extension of those associations. It is important enough that most Rotary clubs, including ours, have a Fellowship Chairperson.

In Snohomish fellowship has taken many forms over the years. We have traditionally had a picnic in the summer and a Christmas party during the holidays. We have gone on hikes. We have had barbecues. We have gone to baseball, hockey and football games. We have gone white-river rafting. We have had joint New Years Eve parties with other Rotary Clubs. Frequently members form friendships with each other that lead to social activities with each other and with each other's families.

Rotary is not a social or fraternal organization. But it is an organization that leads to friendships.

Rick Homme, Club President (2005-2006)

An Interesting Club Social at the Everett Hawks

Club Social Chairman, Pete Reeder, arranged for club members to attend a Friday night, May 12, 2006, home game in which the Everett Hawks hosted a team from Spokane. Unfortunately the Hawks were overly generous...giving the game away.

Wood Cutting at the Knights

On Saturday afternoon, May 13, 2006, Bob Knight, Pete Reeder and Kathryn Watanabe, spent a few hours in the afternoon cutting down trees. The logs were then cut into smaller segments. Afterwards we enjoyed a fun time with some liquid refreshment and a little BBQ.

Later Bob, with the assistance of his grandson, Branden Knight, took a load of the wood to the home of a Monroe Rotarian. The Monroe Rotary Club distributes the wood to families who need wood to cook and to heat their homes.
