Thank you for the memories!!!

With Pat at my side and all of our wonderful Snohomish Rotary Club members there for encouragement and support, being your club president for the Rotary Centennial Year has been a sincere honor.

President Bob and Past-President Pat

In between the President-elect Training Conference in Seattle and the District 5050 Conference in Victoria, BC, we have shared many experiences. The world opened up to us as we traveled to Osaka, Japan, in May, 2004, for the Rotary International Convention; to South Africa in March, 2005, as part of a Rotary Friendship Exchange; and then in May, 2005, when we co-hosted a Group Study Exchange team for New Zealand.

The members of our club have also been very busy, professionally in our vocations, as volunteers in the community, and in the activities of Snohomish Rotary. We have recognized eight AIM High School *Students of the Quarter* (and we will soon award two scholarships); painted a restroom at Pilchuck Park; collected donations for the Snohomish Food Bank; and made cash donations to programs involving youth and seniors, including the Boys & Girls Club and the Snohomish Senior Center. As part of the Rotary International Centennial theme, *Celebrate Rotary*, we recognized John Hager with a Rotary Centennial Citizen award and a Paul Harris Fellowship recognition (which included a contribution of \$1,000 to the Rotary Foundation).

Our club did other things for fun and fellowship. We enjoyed Richard Bridges' chili as part of a Fireside Chat Evening; we sang Christmas carols at the home of Candace McKenna & John First; we cheered at one of the SilverTips hockey games; went rafting with Joe Garrett; and shared breakfast with a group of motorcycle enthusiasts.

I want to especially thank the members of our excellent Snohomish Rotary Club Board of Directors for 2004-2005! Because of you we have updated our club bylaws, established a club foundation, and obtained a club website. My, friends, we have truly gone modern!!!!!!!!!!

My sincere love and affection for each of you!

Bob Knight

Memories of the Rotary Centennial Year of 2004-2005

Giving outgoing President Melody her long lost spelling championship trophy from 1957 at last year's installation dinner; attending the Centennial Dinner at the Everett Events Center; and painting Pilchuck Park lavatories.

- **Rick Homme**

My highlight with the club this year is Gilbert Taurua and the New Zealand GSE team. A great time!

- **Lynn Hurley**

Participating with the Group Study Exchange program always reminds me of the enormity and powerfulness of Rotary International. Judy and I have had the pleasure of hosting four GSE Team members. Great memories. Jillian Mitchell is a Hoot.

- **Pete Reeder**

The centennial year, which will culminate for me in Chicago, was all about learning. My belief is that Rotary is a fine organization, and that there is much yet to do. I anticipate the future.

- **Richard Bridges**

My memory of this year is the energy and enthusiasm displayed by our club members at our Thursday AM meetings. They have really picked up the banner and got on board with a lot of programs, i.e., the GSE group, berries, painting restrooms and looking for more!

- **Maureen Loomis**

Traveling to South Africa has been the most significant Rotary experience for me this year. International helping projects are worth supporting – they are well organized; they assist people in developing countries to become self-sufficient.

- **Pat Knight**

Canned food drive at Top Foods and Safeway...awesome public response. A Foundation firmly established...for the good of all. Web Page finally put together...spreading the word of Rotary via the World Wide Web.

- **Jim Walters**

The Allers and A Lifetime of Memories

Thanks to a Boy Scouts of America troop in Bothell, Leona & Virginia Aller visited the World War II Memorial in Washington, D.C. during the recent Memorial Day weekend. It was part of the recognition of the 60th anniversary of the ending of WW II.

On June 9, 2005, Virginia will be celebrating her 81st birthday.

On December 4, 2005, the Allers will be celebrating the 60th anniversary of their marriage. Virginia had waited 3 and 1/2 years for medic Aller to return home from the Pacific Theater.

AIM High School Students of the Quarter

On May 12, 2005, the Rotary Club of Snohomish gave recognition to two students who attend the wonderful alternative high school in Snohomish. They were selected for the honor by students and staff of AIM High School.
