Club President's Reflections

September is Rotary's New Generation/Youth Month.

When a young person is introduced to Rotary a seed is planted of volunteerism, service, and cultural awareness. Below are ways in which Rotary invests in the world's youth.

Youth Exchange - Every year some 8,000 students travel abroad to experience another country and to learn about other cultures.

Interact - This is a Rotary sponsored service club for young people ages 14-18.

RYLA - Rotary Youth Leadership Awards is a Rotary training program for young leaders. The program emphasizes leadership, citizenship and personal growth.

Here in Snohomish our Rotary club supports literacy through the annual giving of dictionaries to elementary school children, the on-going support of AIM High, and the sponsorship of RYLA candidates.

Hommes

Twenty-two Snohomish Rotarians and family members joined about 75 other Rotarians, family and friends, for Rotary Clubs in the Area H (southern part of District 5050) on Thursday evening, August 25, 2005. Prior to the game they gathered together enjoyed a dinner of hamburgers, hot dogs, salad, cookies and soft drinks. The weather was perfect for an evening of baseball. Those who stayed to the end had fun watching the AquaSox team come from behind in the 8th inning and then win the game, 12-8.

A Message from our District Governor on August 31, 2005

Hurricane Katrina

Hurricane Katrina has hit the Gulf Coast hard and many of you are wondering how we can support the hurricane victims with shelter, food, and other assistance. This will be a massive relief effort on all fronts.

If your Rotary club is interested in providing **immediate assistance**, it is best to do so via the Red Cross or a similar aid organization. Please see their web sites for additional details.

If your club would like to provide support in the **near term (1-2 weeks) via Rotary International**, we will have additional information shortly. I will be in contact with the RI organization as well as fellow District Governors from Louisiana and Mississippi regarding how we can best help the impacted areas.

Thank you,

DG Harv

Excerpt of message by 2005-2006 RI President Carl-Wilhelm Stenhammar

“I am saddened to hear of the recent hurricane devastation along the Gulf Coast and send my sincere condolences to the communities affected by this disaster. As always, when organizing your club or district’s response to a local or international disaster, we recommend that Rotarians work closely with an experienced disaster relief organization such as the International Federation of the Red Cross.”
